

At Galbraith Family Law (GFL), it is more than the law... we are passionate about helping people and making a difference in the lives of others. We are an established family law firm servicing a vast area, with offices in St. Catharines, Barrie, Newmarket and Oakville.

We are presently looking to find our next great family law lawyer to join our St. Catharines' office.

With the position comes the opportunity of a balanced work structure, including the ability to work from our St. Catharines' office, located directly across from the courthouse in the heart of the beautiful downtown, as well as your home-based office. GFL provides the opportunity for significant earning potential and numerous other perks.

Our ideal candidate will have a minimum of two years of family law experience including experience and a willingness to continue servicing clients who are both in and out of the court system.

At GFL, **we have a culture of excellent client service.** We go above and beyond expectations in how we help our clients achieve their goals, and we are seeking only people who share the same commitment to quality client service.

We have a culture of respect. We treat others the way that we would want to be treated. This includes our clients, the other side, the other lawyer and their firm, experts, witnesses, and everyone within our GFL team. This means many things; including responding to communications in a timely manner, serving with integrity, compassion and understanding, and just being honest with our clients.

We have a culture of learning. We are committed to learning how to be efficient and effective in everything we do. We always strive to do better in everything we do every day: This means adopting the latest technologies and establishing processes to be more efficient.

We value family, community, and friendships. We work to maintain a reasonable balance between our work and personal lives.

We are committed to supporting our community through our numerous charitable endeavors. We believe that our business is bigger than just practising law. We want to help others in need.

Does what GFL stands for sound appealing to you? Do you feel you have the experience, skillset and personal traits that would make you our next great team member?
